

JSCONF HAWAI'I

SPONSORSHIP OPPORTUNITIES

FEBRUARY 5-7, 2020 | HONOLULU, HAWAI'I

About JSConf Hawai'i

JSConf events have taken place around the world, helping bring together ideas from far-flung corners of the earth. We want to connect the local Hawai'i Javascript community with the global community, and there's no better way to do that than a JSConf set in Honolulu.

There are a variety of sponsorship packages available for small and large companies alike! From setting up a developer lounge on-site, to hosting a meal, to reaching our eager Twitter audience, to being recognized as one of our "Diversity Sponsors" who help bring attendees to the conference, there's a huge range of benefits to take advantage of, and not all of them require you to attend.

This year, we're going bigger! With almost 400 developers from around the world attending, sponsoring the conference is one of the best ways to connect with an incredible community of developers. We are committed to creating a diverse lineup of attendees and speakers, in hopes of furthering our values below. Become a founding partner of JSConf Hawai'i today!

JSConf Hawai'i Goals

Community

We hope to create an environment that encourages new connections & invigorates old ones, where individuals can come together to discuss JavaScript as a technology & grow it as a community.

Diversity

Our mission is to provide a space that is welcoming & inclusive of all identities & backgrounds, to support underrepresented communities, & bring together all the supporters of the JavaScript community.

Fun

We don't take ourselves too seriously. We believe a fun & authentic atmosphere is the most reflective of our community & our passion. It is our hope that our lively and honest nature shines through.

2019 Recap

330 Attendees

It was a big first year for us, with hundreds of people making the trip and filling the theater for a packed two-day series of 24 talks and panels.

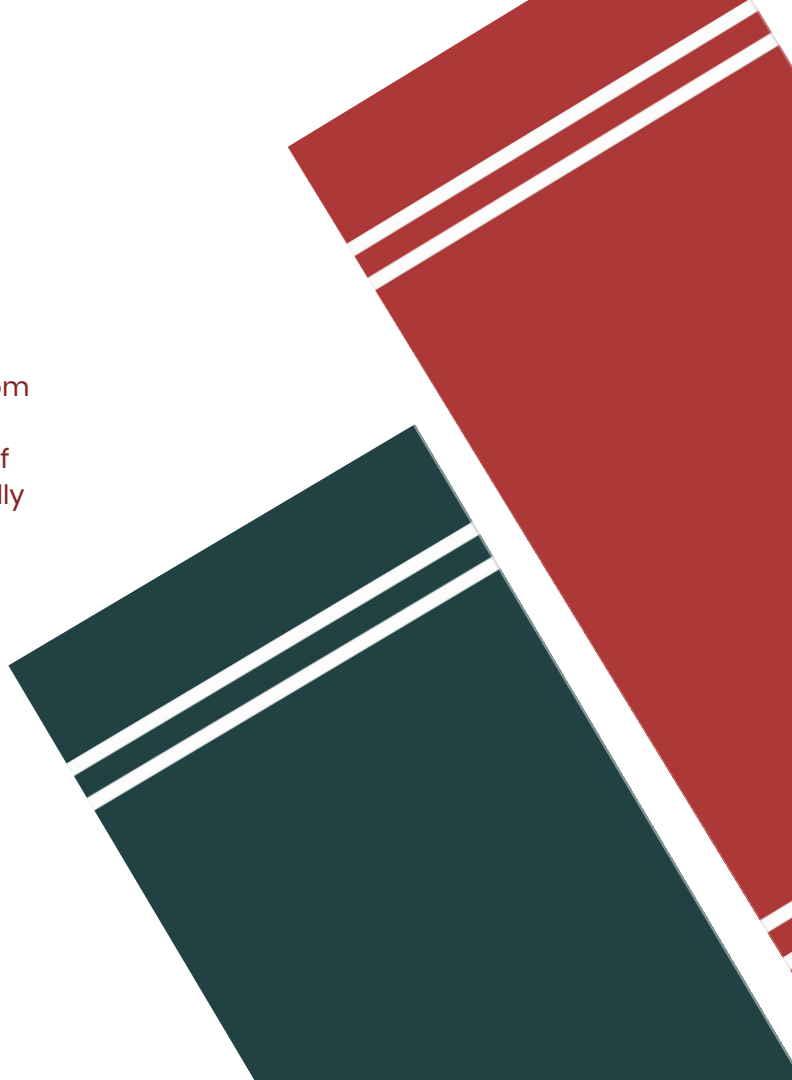

40+% URMs

We worked hard to ensure people from all backgrounds felt welcome at the conference. A large portion of our attendees came from traditionally underrepresented backgrounds in tech

100+ Opt-In Leads

Because of the diversity of backgrounds, and relaxed atmosphere, almost one-third of our attendees opt-ed in to sharing their information and learning more from our sponsoring companies.

60% of attendees have 5+ years experience!

Venue

Alohilani Resort Waikiki Beach

Three days of conference. Days 1 and 3 will be filled with amazing talks and our “gap” day focused on learning, sharing and experiencing Hawaii.

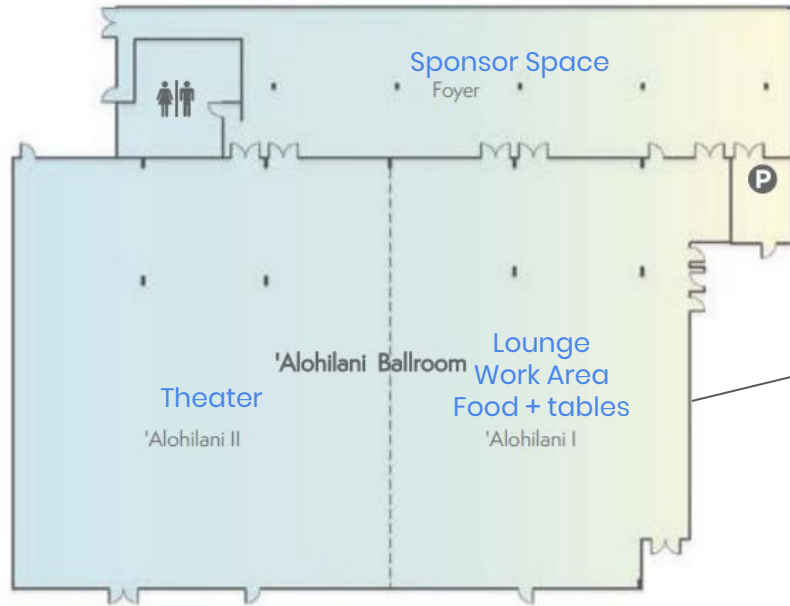

Main stage to host all the talks. Our schedule is designed to be single track so you won't miss out

Dedicated Sponsor area and lounge to make your own and give access to our close-knit community with 400 attendees

Across from beach, close to after party venue and plenty of room to meet new developers

Venue Layout

Sponsorship Philosophy

JSConf Hawaii is organized by passionate members of the Javascript community, for the community. We don't take a profit, and every dollar we receive goes straight back into improving the conference both now and in the future. Our goal is to create an incredible event where people can make connections within the community, and we hope you'll be a part of that.

JSConf Hawaii is a 501(c)(3) and all sponsorships are tax deductible.

As much as we are open to your creative sponsorship ideas, we want to maintain the integrity of the event with an attendee-first focus. This means we never sell talk slots, and we want to keep the opportunities unobtrusive, but still valuable.

On-site Sponsors

You'll get to meet the incredible 400 attendees and interact with your audience directly.

Off-site Sponsors

If you want to have a huge impact, but can't make it to Hawaii, consider our Diversity Sponsorship. This sponsorship will directly help people from underrepresented groups who could not have otherwise attended this event, attend for free. This meaningful contribution furthers our shared goal of making the Javascript community a more diverse and welcoming place.
